Changes to My Home page in FLO

Clearer topic notifications

Notifications about quizzes, upcoming assignments, and new forum posts are now less cluttered and easier to read. Click on a heading to find out more information about your topic.

Hide, show and rearrange your topics

You now have more control over how your topics are displayed. Click “customise this page” to enter edit mode – from here you can drag and drop your topics to re-order them. You can also hide topics by moving them to the bottom of the list and selecting the number of topics to display.
